To: PRP HIGH SCHOOL

Mr. Johnson,

As the honorable father of Brittney M Rice, I have been advised I may request PRP High School prohibit on-campus contact between my daughter from Tim Boston. Why nobody mentioned this to me amazes me! I hereby do so emphatically, specifically requesting he not be allowed on school campus or allowed to contact her @ school for any reason period, nor allowed to participate in any high school function she's involved in off-campus.

Mr. Johnson we spoke recently. I brought you information regarding the precarious situation my daughter Brittney Rice was in then, It's gotten worse sir. Even after providing his criminal history to her family and our community, revealing him to be a career felon (per Court Records) ... her mother continues to maintain her unhealthy relationship with him.

On Feb 5, 2010 this man was sentenced to 4-years in prison on 8 separate FELONY convictions in Hardin County ... suspended sentence pending 5-years probation ... for doing what he does best. Lie, cheat, steal, defraud. Further, his criminal record extends back over 20+ years of destructive harmful behavior in and outside of his court actions... including an escape from a mental institution.

I'm very concerned. Yesterday speaking with her teachers ... i learned she is struggling to maintain her grades now. She has two (2) D's on the interim reports from her Geography and Keyboard classes, and though i have every confidence in her ... i'm seeking intervention now.

WE therefore respectfully ask that Timothy M. Boston be immediately barred from PRP High School period... for all our kids safety. I have court certified documentation for the case above (Case#09-CR-00246 Hardin County)... as does my attorney, Jason R. Segeleon and our courts.

Most sincerely,  
Sean Rice
